# CENTELLA CLEAN GEL

2 in 1

Action

Reduces Germs &  
Protects your Hands

## Instant Hand Sanitizing Gel **without water**

An instant hand sanitizing gel that simply & safely reduces germs with alcohol and Centella extract, leaving a non-sticky, velvety touch and no residue.

Washing hands with water & soap is no longer too convenient in many circumstances and frequent soap wash may cause skin irritation.

Instant **GPO Centella Clean Gel** makes hand washing more convenient and possible everywhere without water.

**GPO Centella Clean Gel**, by the Government Pharmaceutical Organization (GPO), is a simple and safe alternative to hand sanitizing. Beside the disinfecting alcohol, the Centella extract helps protect & nourish hand skin, making the dual action-gel suitable for everyone & every occasion.
