

# CURMIN Lift

Anti-aging

A SECRET OF SKIN REJUVENATION WITH  
ULTIMATE NATURAL FACIAL LIFT

**ENRICHED WITH NATURAL SILK SERICIN & THC LIPOSOME  
FIRMS YOUR SKIN & SMOOTHES AWAY WRINKLES**

An optimal blend of Sericin – a purified extract from natural silk derived from the mulberry silkworm - enriched with series of amino acid which helps promoting smooth & silky skin. Together with two additional powerful antioxidants: THC Liposome from Turmeric (*Curcuma Longa* Linn) and Vitamin E Liposome to synergistically help preventing premature skin aging and Sodium Hyaluronate & Ceramide to drench your skin with the ultimate moisture retaining a perfect youthful look.
